a. “The purpose of performances by pep bands at athletic events is to entertain, promote school spirit and support cheerleaders in providing positive crowd participation activities. All members of the band are expected to exhibit the highest standards of good sportsmanship.

b. Amplified instruments are permitted at basketball contests unless the State Championship Director determines that space availability or distance to an electrical outlet precludes its use. The State Championship Director has the authority to control the volume of any amplified instrument.

c. Musical selections may be performed only during the following times:

1) Prior to the game.

2) During time outs.

3) Between quarters or at halftime.

b) Rhythmic percussion cadences in support of cheerleaders promoting positive crowd participation are acceptable during the game except during free throws or injury time outs.

d. If two pep bands are playing at an athletic contest, the groups shall alternate performances and split the half time. In football, the performance time after a touchdown or point after goes to the band representing the school that has scored regardless of which band performed last. The directors of the two groups shall meet prior to the contest to confirm how the time will be shared for that particular event. *(Fall 2000)”*

e. The band director must accompany and verify each pep band member for complimentary admission to sessions in which your school is playing. **The band should enter as a group using the NW corner of the gym.** It should also be noted that there is very little space available for full drum sets.

f. Please be reminded that pep bands are to remain in their respective designated areas. If musical instruments are stored on the bus, the bus should be locked or an adult attendant provided.

g. A single small-amplified instrument will be permitted at the discretion of the Tournament Director. Please bring your own extension cords. Microphones will not be permitted in the band area. Due to some spectator and team seating locations, we ask your cooperation in keeping the sound level reasonable.

12. **DAMAGE TO BACKBOARD AND/OR FACILITY:** Administrators are urged to inform all players and students never to grasp the net during warm-up sessions or during and after the regular game. It should be understood that if any damages are caused by students, the member school represented by such player or student shall assume all liability to replace and/or repair such damaged equipment. Further, any damage to the facility such as walls, chairs, etc. could also be charged to the school. For your school's protection, please help us inspect your student seating sections prior to and after your team plays. This could prevent your school from receiving a bill for damages.
13. **STATE CHAMPIONSHIPS – VIDEOTAPING** (*OSAA Handbook, Executive Board Policies*):
