

October 19, 2009

OSAA  
25200 SW Parkway Avenue Suite 1  
Wilsonville OR 97070

U.S. Bank representatives were pleased to participate in the recent annual Regional Workshops held in Wilsonville, Pendleton, Medford, Eugene and Bend. It is with pride that we can highlight a partnership with OSAA, celebrating student achievement through our 25 year sponsorship of the OSAA State Championships.

At the Regional sessions, we chose to mention our ONE Card program as a tool allowing Districts to effectively manage expenses associated with team travel commitments. Travel and entertainment cards offered in the past by many financial organizations included cumbersome manual processes. With demands on staff to simplify procedures while maintaining effective control, we believe the ONE Card with U.S. Bank meets client' needs for flexibility - without cost.

Our Government Banking Relationship Managers are available to answer any questions and help satisfy a District's desire to improve its expense reimbursement programs.

Thank you again for the opportunity to participate in the Regional workshops!

Government Banking – (503) 275-6776

Sincerely,

John M DiPasquale  
V.P. and Regional Manager  
Oregon Government Banking
