

# PRE-ORDERS

## What are Pre-orders?

Pre-orders are select items we put up for sale for a select time period before the State tournaments. Pre-orders open when participants qualify for the State tournaments and close a few days before the tournament begins. This enables participants and their fans to pre-purchase items and pick them up completed and ready to wear at the RushTeamApparel booth the morning of their activity.

## How do I purchase Pre-orders?

Items will be available for purchase online for individual sports at noon on the dates and links below.
