# Proposal to Revise Board Policy #44 “Football – Summer Team Contact Camp” to Cover Any Use of Protective Equipment During the Summer

(Action Item)

**QUESTION:** Should the Executive Board revise Board Policy #44 “Football – Summer Team Contact Camp” to cover any use of protective equipment during the Summer?

**RATIONALE:** The changes expand the current “Summer Team Camp” policy clarifies that the regulation applies to any practices involving the “use of protective equipment” during the Summer.

**RULE CHANGE SPONSORED BY:** OSAA Executive Board

## POSSIBLE RULE CHANGES:

KEY: <b>Add</b> Delete
---------------------------

Board Policy #44 “Football – ~~Summer Team Contact Camp~~ **Summer Activity Policy**”

- A. ~~Summer team football contact camps~~ **Any Summer football activity in which protective equipment is utilized during person-to-person contact** must be completed **after** the **last day** of the Association Year (May 26) and **prior to OSAA Moratorium week**.
- B. Individual school districts and other member schools of the Association have the option of determining whether or not they will allow a school within their district to participate ~~in a Summer contact football camp~~ **in any Summer football activity that involves the use of protective equipment**. This decision should take into consideration the inherent liability when a team represents the school district, is supervised by school personnel, uses school district transportation, uses school facilities, and participants use protective equipment owned by the school.
- C. It is imperative that local school administrators set guidelines for participation in these **Summer football activities**. Safety of the participants is of the utmost importance; therefore proper fundamental and physical preparation is necessary prior to the participants engaging in any type of person-to-person contact.
- D. Prior to participation in the **Summer football activity**, each participant should be required to show proof of insurance and provide documentation of a valid physical examination within the last two years as prescribed by Oregon law. Coaches and other supervisors should have liability insurance.

## **SPECTATOR CONDUCT AT OSAA SANCTIONED EVENTS – BOARD POLICY 67**

### **Questions & Answers / Clarifications**

- **Are students allowed to stand on the bottom row of the bleachers?**  
Yes, but when they sit down they must be sitting on the 2<sup>nd</sup> row.
- **May students cheer during serves in volleyball and free throws in basketball?**  
Yes, as long as they are just “making noise” and not specifically addressing a contest official or an individual player from the opposing team.
- **Is a school allowed to use balloons at an athletic event?**  
Yes, a host school is allowed to use them for decoration. However, fans are not allowed to have balloons and they may not be placed by the school in any manner that would block spectator viewing.
- **Is a school allowed to use balloons at a state championship finals site?**  
No
- **Are oversized foam fingers allowed at athletic events?**  
Yes, they are allowed as long as they are not blocking spectator viewing.
