1. Cheerleading Safety Rules

- 1.1. **General.** Cheerleading squads representing OSAA member schools are required to conform to the rules set forth in the current National Federation Spirit Rules Book. Copies of the rules book are available for purchase from the OSAA, and should be reviewed at least yearly by cheerleading coaches.
- 1.2. **Yearly Coach Safety Certification Required.** The high school principal shall be held accountable for verifying that any cheerleading coach who is solely responsible for coaching the team at any time has attended an OSAA Cheerleading Safety Clinic by November 1 of the Association year in which that person serves as a coach. Should a cheerleading coach fail to attend an OSAA Cheerleading Safety Clinic by November 1, the squad of the non-attending coach shall be prohibited from performing partner stunts or tumbling until the coach has attended a clinic. **EXCEPTION:** Any emergency exception must be authorized in writing by the OSAA.
- 1.3. **Coverage.** The rules set forth in the current National Federation Spirit Rules Book must be followed regardless of the capacity in which the cheerleading squad is functioning. The rules apply equally to squads performing at competitions and squads performing in a support function at a game or contest.
- 1.4. **Violations.** In addition to the penalties specified for squads, competing at OSAA sanctioned cheerleading contests (See Cheerleading State Championships Rules section) schools represented by cheerleading squads, which violate the cheerleading safety rules at any OSAA contest, may be subject to sanctions and penalties as determined by the OSAA Executive Board.
- 1.5. **Questions.** Questions about the legality of a particular stunt should be addressed to the OSAA prior to practicing or performing the stunt.

1. **Q.** Is safety certification required of all cheerleading coaches?
A. No. Cheerleading coaches need NOT be certified if a safety certified coach is present at all times when the non-certified coach is working with students.
2. **Q.** Which cheerleading coaches must be safety certified?
A. A cheerleading coach must be certified if at any time for any reason (ejection, illness, etc.) the coach is, or could be, solely responsible for coaching a team.
3. **Q.** What is the consequence if a cheerleading coach for a school does not attend one of the yearly OSAA Safety Clinics by November 1 of the year in which that person serves as a coach?
A. The squad of the non-attending coach shall be prohibited from performing partner stunts or tumbling until the coach has attended a Clinic.

2. Cheerleading State Championships Rules

- 2.1. **Administration.** The Cheerleading State Championships shall be conducted by the OSAA with the cooperation of the Oregon Cheerleading Coaches Association.
- 2.2. **Eligibility.**
 - 2.2.1. **School Eligibility.** Schools that are registered with the OSAA to compete in cheerleading activities are eligible to participate in the Cheerleading State Championships.
 - 2.2.2. **Student Eligibility.** Students wishing to participate in the Cheerleading State Championships must satisfy the current OSAA Cheerleading eligibility rules. **See also OSAA Handbook, Rules, Rule 8.**
 - 2.2.3. **Penalty for use of an ineligible student.** Any school for which an ineligible student performs shall be disqualified from consideration for awards, and reported to the OSAA Executive Board for possible further sanctions and penalties.
 - 2.2.4. **School Representation.** Only one varsity squad from each Oregon high school shall be allowed to compete. The squad may be a combination of two or more varsity squads (i.e., football and basketball squads may be combined for the Cheerleading State Championships.)

- 2.2.5. Varsity Level Only.** In order to represent a school as a participant at the Cheerleading State Championships, a cheerleader must have participated on squads at a majority of VARSITY games for at least one season for the year.

A cheerleader who participates on the varsity during the Winter sport season only must have participated on squads at a majority of the entire Winter sport season’s contests prior to the Cheerleading State Championships in order to be eligible to represent the school at the Cheerleading State Championships.

EXCEPTION: Alternates may be members of a school's junior varsity or freshman squad, and may replace a varsity squad member due to special circumstances (i.e., injury, illness, ineligibility of a varsity team member) if the substitution is reported to and approved by the OSAA prior to participation.

- 2.2.6. Previous Qualifying Competition:** All squads entering the Cheerleading State Championships must have competed in at least two OSAA sanctioned competition during the school year of that Cheerleading State Championships unless a specific exception to this rule has been granted in writing by the OSAA.

The routine performed at the qualifying competition must include all or most of the team’s planned two and one-half minute Cheerleading State Championships routine, including stunts and gymnastics, so that they may be reviewed by a technical judge prior to the Cheerleading State Championships. Neither the OCCA All-State Individual and Stunt Team Competition nor any other invitational competition allowing routines of fewer than two and one-half minutes in length or routines that do not include stunts and gymnastics may be used to satisfy the “previous qualifying competition” requirement.

- 2.3. Entry Form.** Entry forms and Cheerleading State Championships information shall be posted on the OSAA website www.osaa.org, the Cheer homepage by early December. School athletic directors shall be notified by the OSAA when the entry form and Cheerleading State Championships information is posted.
- 2.4. Entry Fees.** Neither team nor individual entry fees shall be charged to schools competing in the Cheerleading State Championships. Funds for administration of the Cheerleading State Championships shall be generated from school membership dues, activity fees, contest gate receipts and corporate sponsorship agreements.
- 2.5. Deadline.** The deadline for online receipt by the OSAA of entry forms for the Cheerleading State Championships shall be clearly marked on the entry forms available on the OSAA website, www.osaa.org, on the Cheer homepage.
- 2.6. Divisions.** The divisions at the Cheerleading State Championships shall include varsity level squads based upon school classification, squad size and squad gender as indicated below. NOTE: Squads with **one** or more male squad members shall participate in a Coeducational Division.

<u>Division Title</u>	<u>Squad Size</u>	<u>Squad Gender</u>
3A/2A/1A	20 or fewer	Females
4A (Small)	12 or fewer	Females
4A (Large)	13 to 20	Females
5A (Small)	12 or fewer	Females
5A (Large)	13 to 20	Females
6A (Small)	12 or fewer	Females
6A (Large)	13 to 20	Females
Coed (Small; 1-3 males)	20 or fewer	Coeducational
Coed (Large; 4 or more males)	20 or fewer	Coeducational

2.7. Alternates. Each squad may bring two alternates to the Cheerleading State Championships in addition to the maximum number of participants allowed by the division constraints. Alternates must be listed on the entry form and shall satisfy the same eligibility requirements as other Cheerleading State Championships participants, except that alternates may be members of the junior varsity or freshman squads.

2.8. Minimum Division Entry. If fewer than eight squads register to compete in a 6A or 5A female division, or fewer than five teams register to compete in a Small or Large Coed division or a 4A or 3A/2A/1A female division, that division shall be canceled. Any squad entered in the canceled division shall compete in the higher classification of the same team size.

EXCEPTION: If fewer than the required number of squads register to compete in a Coeducational Division, the two divisions shall be combined. A Coeducational division shall be subdivided into Small (for teams with three or fewer males) and Large (for teams with four or more males) if there are sufficient entries in the Coeducational division to satisfy the minimum quantities for each subdivision.

2.9. Performance Requirements.

2.9.1. Content of the Routine. Each squad shall perform a routine containing at least the following elements within the specified time limit. Elements may be presented in any order.

(a) One cheer.

(b) Dance routine.

Penalty for Violation: Any squad that performs a routine that does not include both of the required elements shall be disqualified from consideration for awards.

2.9.2. Time Limit. A two and one-half minute maximum time limit shall be allowed each squad; there shall be no minimum time limit. The timing shall begin at the first word, motion or note of music; timing shall end when the advisor or designee signals the timekeeper.

Entrances on to the performance floor are neither timed nor judged. To help keep the Cheerleading State Championships on schedule, it is requested that teams be prepared to take the floor immediately when introduced, and to vacate the floor quickly at the conclusion of the performance.

Penalty for Violation: Any squad whose performance exceeds the maximum time limit shall have 10 points deducted from the final average score prior to determining placement.

2.9.3. Safety Rules. Squads are required to conform to the rules set forth in the current National Federation Spirit Rules Book. Copies of the Rules Book are available for purchase from the OSAA, and should be reviewed carefully prior to the Cheerleading State Championships.

Tumbling and stunt fault deductions shall be subtracted from the average score prior to determining placement.

2.9.4. Props. Pom-poms, megaphones and flash cards or the equivalent are the only acceptable props.

Penalty for Violation: Any school using props other than pom-poms, megaphones and flash cards or the equivalent shall have 10 points deducted from the final average score prior to determining placement.

2.9.5. Spotters. Qualified and experienced spotters shall be provided on the performance floor to help reduce the chance of injury to participants.

- 2.9.6. Practice Area.** When feasible, a supervised practice area shall be maintained at which all squads shall be scheduled for equal practice time. A separate supervised practice area shall be available for warming up tosses.

Teams shall not practice stunts in the team rooms, nor shall teams practice on the actual performance floor prior to the Cheerleading State Championships or during breaks.

Penalty for Violation: Any team practicing stunts in the team rooms, or practicing on the actual performance floor prior to the Cheerleading State Championships or during breaks shall have 10 points deducted from the final average score prior to determining placement.

- 2.10. Determination of Rules Violations.** The OSAA representative (or his designee) at the Cheerleading State Championships has the authority and responsibility to determine if the Cheerleading State Championships rules have been violated. If it is determined that a Cheerleading State Championships rule has been violated, the consequence listed in the "Penalty for Violation" section following each rule shall be imposed upon the offending school.

The decision by the OSAA representative (or his designee) regarding violations and deductions is final and is not open to review, debate or appeal.

- 2.11. Performance Procedures.**

- 2.11.1. Music.** Music should be recorded on a high quality, new cassette tape or CD. Recordings should be labeled with the name of the school, and the music should start at the beginning. A squad representative shall be responsible for starting and stopping the recording during the routine; the volume shall be controlled by the venue technician. The squad representative should have a "back-up" recording in-hand in case of the failure of the original.

- 2.13. Determination of Winners.** The Official Scorer shall compute the score for each squad by computing the average of the judges' scores.

- 2.13.1.** Deductions due to violations, if any, shall be subtracted from the average score prior to determining placement.

- 2.13.2.** The highest average score in each division shall be first, the second highest score shall be second, and so on.

- 2.13.3.** In the case of a tie, duplicate trophies shall be awarded for that position, and the following position shall not receive an award.

- 2.14. Awards.** School awards shall be provided to 50% of the teams in a division up to a maximum of five awards per division. Individual medallions shall be provided to the members of the top two squads in each division.

3. Other Cheerleading Competitions

- 3.1. Sanctioning.** Any organization wishing to host a cheerleading competition in the state of Oregon must apply for sanction of the competition by the OSAA. Form is available for download from the OSAA website, www.osaa.org, Handbook and Forms section.

NO OSAA MEMBER SCHOOL MAY ATTEND A CHEERLEADING COMPETITION IN OREGON, WHICH HAS NOT RECEIVED OFFICIAL SANCTION BY THE OSAA PRIOR TO THE CONTEST. Schools wishing to confirm sanction of a specific event may consult the "OSAA Sanctioned Cheer Competition Calendar" on the OSAA website, www.osaa.org, on the Cheer homepage.

- 3.1.1. Timeline.** Any school or organization may submit a single Sanction Application for the following school year by June 1 of the preceding school year after which the OSAA shall post a preliminary calendar on the OSAA website with events received prior to June 1 being the only events listed. Following the release of the preliminary calendar, OSAA will consider other requests for sanctioned events to be added to the calendar.

Incomplete sanction applications (missing location, etc.) shall not be accepted.

- 3.1.2. Maximum number of events per date.** The OSAA shall grant a maximum of TWO event sanctions for any particular date with the option of a third competition on a particular date at the discretion of the OSAA and the Advisory OCCA Calendar Subcommittee.

If more than two contest sponsors request sanction for events on the same date, sanctions shall be granted to only two contests except as indicated above using the following criteria the order of priority listed:

- (b)** To the extent possible, avoid sanctioning more than one contest in the same region of the state on the same date.
- (c)** Priority shall be given to sponsors from whom the fewest requests for sanction have been received this season.

- 3.1.3. Advisory OCCA Calendar Subcommittee.** A subcommittee of the Oregon Cheerleading Coaches Association (OCCA) Executive Board shall advise the OSAA in resolving cheerleading date conflicts, but the OSAA shall retain final decision making authority.

- 3.2. Required Contest Conditions.** Organizations applying for OSAA sanction shall agree to the following contest conditions.

- 3.2.1. Safety Rules.** Participating squads must be required to conform to the rules set forth in the current National Federation Spirit Rules Book.

- 3.2.2.
