State Championships Scoring Procedures:

Para-athletes will compete against one another, regardless of gender, until we reach a minimum of at least eight wheelchair or eight ambulatory entries from qualifying events.

- If eight or more wheelchair and/or ambulatory athletes qualify, entries will be separated into timed finals by disability type and fields will continue to contain mixed genders. Scoring will be separated by gender.
- In the case of less than eight wheelchair and/or ambulatory athletes qualifying, entries will participate as a timed final regardless of disability type and fields will contain mixed genders. Scoring will be separated by gender.

Example Situation – Five para-athletes qualify in the 100M. Three of the entries are wheelchair and the other two entries are ambulatory.

Lane	Participant	Type	School	Finish	Inclusion Points Awarded
2	Boy A	Wheelchair	School 1	4	3
3	Boy B	Wheelchair	School 2	1	5
4	Girl A	Ambulatory	School 1	2	5
5	Girl B	Ambulatory	School 3	3	3
6	Girl C	Wheelchair	School 4	5	2

In this example, we have four total teams competing in the para-athlete division – two Boys Teams and three Girls Teams. Standard NFHS scoring (outlined in the chart below) provides the point structure that will be used. Since Boy B was the timed final winner he receives five points. Girl A (second place finisher in the timed final) is the Girls winner and thus receives five points. Boy A is the fourth place finisher but the second place overall Boy therefore he receives three points. Girls B and C finish third and fourth respectively, which translates to second and third amongst the Girl athletes.

Below is a chart summarizing individual point structure based on number of teams participating by gender.

Number of Teams Competing in the Meets	Individual Scoring
2	5 – 3 – 1
3	5 – 3 – 2 – 1
4	6 – 4 – 3 – 2 – 1
5	8 – 6 – 4 – 2 – 1
6	10 – 8 – 6 – 4 – 2 – 1
7 or more (6 scoring)	10 – 8 – 6 – 4 – 2 – 1
7 or more (7 scoring)	10 – 8 – 6 – 4 – 3 – 2 – 1
7 or more (8 scoring)	10 – 8 – 6 – 5 – 4 – 3 – 2 – 1

Team Scoring Procedures:

Team point earned by wheelchair and/or ambulatory athletes will be added back to the represented school to be added to their overall team point score. If the points from the athlete(s) moves a team to trophy consideration and those combined points overtake another school, dual trophies will be presented for that trophy position.

Example –

- 1st Team A: 80 team points (no wheelchair or ambulatory entries)
- 2nd Team B: 70 team points (no wheelchair or ambulatory entries)
- 3rd Team C: 60 team points (no wheelchair or ambulatory entries)
- 4th Team D: 50 team points (no wheelchair or ambulatory entries)
- 5th Team E: 48 team points (wheelchair or ambulatory entries)

Teams A, B, C and D do not have wheelchair or ambulatory entries. Team E had one wheelchair athlete qualify and they score three team points in the event. Adding the wheelchair athlete’s team points to the overall team score move Team E into 4th place position with 51 points. Teams D and E would both receive the 4th place championship trophy.

Note: If a school is already in trophy position and the inclusion points earned by an athlete(s) moves a school up (i.e., 3rd to 2nd) a school will receive both trophies.
