SUBJECT: OSAA Football Ad Hoc Advisory Committee Update – January 22 Meeting

The Football Ad Hoc Advisory conducted its fourth and final public meeting of this school year in a hybrid model with most Committee members in-person at the OSAA Office and several attending via Zoom. The goal of this group is to review football data for schools, along with any proposals, and make recommendations to the Executive Board for their February 3rd meeting.

OSAA staff provided a summary of 23 pieces of correspondence received prior to the meeting. During the meeting the Committee received testimony from 13 individuals, either in-person or online, representing nine different schools. At the completion of the testimony, the Committee convened into a work session to discuss a variety of topics, review testimony, and develop this update. Topics discussed include:

2025 Special Districts Final Recommendation

The Committee discussed all testimony and correspondence submitted and reached consensus on a final recommendation of all school placements and league/district alignments for the 2025-26 football season. (see attached) In particular, there were changes made to the number of special districts in 1A-8 player from three to four per input from impacted schools. The OSAA Executive Board will review and vote on all recommendations at their February 3rd meeting.

Playoff Bracket Sizes and Allocations

The Committee discussed playoff bracket sizes and allocations and will present the following at the February 3rd Board Meeting.

Classification	Bracket size	Playoff allocations
1A – 6 Player	12 – teams	SD1 – 3AQ's, SD2 – 2AQ's, SD3 – 2AQ's then 5 at-large spots.
1A – 8 Player	12 – teams	Each Special District receives 2 AQ's then 4 at-large spots.
2A	16 – teams	Each Special District receives 2 AQ's then 4 at-large spots.
3A	16 – teams	SD1 – 3AQ's, SD2 – 3AQ's, SD3 – 2AQ's, SD4 – 2AQ's,
		SD5 – 2AQ's, and SD 6 – 2AQ's then 2 at-large spots.
4A	16 – teams	Each Special District receives 3 AQ's then 1 at-large spot.
5A	16 – teams	Each Special District receives 2 AQ's then 6 at-large spots.
6A	24 – teams	Each Special District receives 2 AQ's then 12 at-large spots.
	(16-team 6A Championship	The 6 League Champions along with the next 10 highest
	bracket; 8 – team Columbia Cup	ranking teams will participate in the 6A Championship.
	bracket)	After the 6A Championship bracket is filled, the remaining 8
		qualifying teams will be placed in the Columbia Cup bracket.

Zero Week and Bye Week for Sub-Varsity Players

The Committee recommends, with support from the OSAA Chief Medical Advisor, allowing swing players the opportunity to participate in both the Zero Week varsity contest and the sub-varsity contest during their varsity team's bye week. Under this policy, swing players will not be able to exceed the 5-quarter rule between the two contests and the season-long 45-quarter limit will remain in effect. For example, a swing player who played in two quarters of the varsity game in Zero Week would be allowed to play three additional quarters of the sub-varsity game during that school's varsity bye week.

Additional Topics

The Committee plans to review its Charge for potential updates/adjustments, including an evaluation of the criteria outlined for teams to submit for consideration to play down or back to their original classification, prior to the completion of the football season next year. Based on feedback received from schools, the group will be seeking input from athletic directors at the OADA State Conference in April as to the impact that significant changes made annually are having on the consistency of two-year scheduling.

Any communication received by the OSAA at this point in the process will be shared with the Executive Board for review and discussion. Please contact Kris Welch (krisw@osaa.org) at the OSAA if you have any questions.
