

## 2022 OSAA REVISED CLERKING PROCEDURES

- **Running Events:** The following check-in procedure will be used:
  - i. Check in is available for all running events beginning one hour prior to the first running event. Running Event Clerks will be located on Field #2.
  - ii. All participants must show their competition number in order to check-in. The competitor number must be attached to the uniform.
  - iii. Relay teams – all four athletes must be present at check-in unless a team member is involved in a field event at that time.
  - iv. If a participant is in a field event that conflicts with a running event, inform the clerk and they will note the conflict. The clerks will pick-up the participant at the field event venue when it is time for their running event.
  - v. All participants must check in 30 minutes prior to start of first race/heat but can check in as early as one hour before first running event. It is highly recommended that athletes check in for all running events at same time.
  - vi. When a participant check in athletes will be told what time to report back to clerk tent depending on event. **Please remind athletes to use the restroom prior to being clerked under the stadium.**
  - vii. 15 minutes prior to the scheduled start of the event all athletes will be escorted as outlined for hiping (if applicable) and final instructions. (See attached Clerking Maps)
  - viii. Any entrant that has not completed steps 1-7 listed above will be scratched from the event. **Scratching from one event scratches the athlete from all subsequent events they are entered in.**
- **Field Events:** The following check-in procedure will be used:
  - i. All field event athletes are required to check in with the Field Event Clerk at the 10x10 check-in tent located outside the Garage Door on the south end of Hayward Field. Athletes are required to report a minimum of 45 minutes prior ( 1 hour in vertical jumps) to the time listed on the Field Event Report Times schedule included with these instructions.
  - ii. All field event athletes are required to check in BEFORE they escorted to the infield. **ABSOLUTELY NO CHECKING IN AT THE FIELD EVENT VENUES UNLESS ALREADY ON THE INFIELD.** (See attached Clerking Maps)
  - iii. Field event athletes may check in at any point but must be back at the 10x10 check-in tent at their designated report time to be escorted to the field for instructions and warm-up. Entrants failing to report at the prescribed time will be scratched from the event. **Scratching from one event scratches the athlete from all subsequent events they are entered in.**

Note: If an athlete is competing in more than one event, running and/or field, they need to tell the Field Event Clerk during check-in who will then communicate this to the Head Officials.

**Running Clerk Pattern (Entering Track) – Field #2 to South Access Door and out Door 1 or Door 2 depending on the event.**

**Field Event Clerk Pattern (Entering Track) – Check-in tent through Garage door and out Door 3.**

**Running/Field Clerk Pattern (Exiting Track) – Door 3 to Recovery Area to South Access Door. Athletes can exit back to the SW Concourse using the stairs or return to Field 2 or 3.**

**2022 OSAA/OnPoint Community Credit Union**

**Track and Field State Championships**

Field Event Check-in Times

<b>Day</b>	<b>Class</b>	<b>Gender</b>	<b>Event (Venue)</b>	<b>Flight 1 - Report</b>	<b>Flight 2 - Report</b>	<b>Start Time</b>
