

OES seeks a highly qualified individual to serve as a high school Track & Field coach for the upcoming 2022 Spring Season.

A successful candidate will possess the following qualities:

- Previous high school track & field jumping coaching experience
- High ethical and professional standards
- The presence and desire to be a role model for student-athletes on and off the field
- A commitment to the importance of academic excellence and achievement for all student-athletes in the program
- A proficient effective communicator
- Skilled in organization & time management
- A thorough knowledge of track & field, skill development, and coaching techniques
- Demonstrated ability to be a positive leader within the high school program and develop and instruct young athletes both physically and emotionally.

The OES Track & Field coach will be responsible for the following:

- Provide coaching for the OES track team throughout the season
- Be an ambassador for OES to all competitors, the community and media
- Provide supervision for track athletes competing in vertical/horizontal jumping events at all practices and meets
- Assist with riding the team bus with the track athletes to competitions
- Work with head coach to prioritize integrity, innovation and inspiration while assisting with practices, motivating students, and instructing student athletes in strategies & techniques specific to jumping events (triple, long and/or high jump)
- Manage athlete behavior during training sessions, meets and events
- Take necessary and reasonable precautions to protect students, equipment, materials, and facilities
- Uphold and enforce school rules, administrative regulations
- Attend all meets and events scheduled for the sport
- Set a positive role model for students
- Establish and maintain a strong working relationship with the entire coaching staff
