Student Advisory Council Meeting Summary

February 25, 2024 @ 12pm via Zoom

The Student Advisory Council (SAC) met via zoom on February 25, 2024, at 12:00pm. The student leadership council primarily discussed the logistics surrounding the 1st annual Student Leadership Conference to be held on April 6, 2024, at Camp Withycombe in Clackamas, OR. There was discussion about assigning council members assignments during the brunch, including introductions of the keynote speaker, workshop topics and agenda, among other logistics.

The council also gave a brief recap of the National Girls & Women in Sports Day luncheon that was held on Feb. 4, 2024, at Oregon Episcopal School (OES). The luncheon was a success, with over 115 people in attendance. Thank you to OES, OADA, OAOA and the OSAA Foundation for your support of the luncheon, as the council expects that this will be an annual event.

We briefly went over the agenda for our next meeting (3/17), Where the council members would begin to construct the master script and accept assignments.

Next meeting: March 17, 2024
