### **Student Advisory Council Meeting Summary**

**December 10, 2023 @ 12pm via Zoom**

The Student Advisory Council (SAC) met via zoom on December 10, 2023, at 12:00pm. The meeting began with introductions of the new committee members and a recap of the November meeting details. The student leadership council discussion followed the posted agenda and primarily discussed the logistics surrounding the 1<sup>st</sup> annual National Girls and Women in Sports Day brunch and awards celebration, to be held at Oregon Episcopal School in Portland. There was discussion about assigning council members assignments during the brunch, including introductions of the award winners and the keynote speaker. The council put a plan together to market the event on social media and throughout their schools.

The council also spoke about the preliminary plan for the OSAA Student Leadership Conference to be held at Camp Withycombe in Clackamas, OR on April 6, 2024. The students were informed of the National Student Leadership Council that has been formed by the National Federation of High Schools, released earlier in the week. We spoke briefly about the two opportunities to be involved in the NFHS student leadership conferences, the first being a virtual meeting to be held on July 10<sup>th</sup> and 11<sup>th</sup> and the other being the in-person student leadership conference, held in Indianapolis on July 22<sup>nd</sup>-25<sup>th</sup>.

The council is in the process of selecting leadership positions, with the expectation that the position will be selected by the next meeting on January 14, 2024.
