Excerpt from the OSAA Handbook

OFFICIALS FEE SCHEDULE

(2025-26 through 2027-28)

Notes:

- OSAA certified officials (sub-varsity, varsity, or playoff certified) are required for all sanctioned activities at the varsity and junior varsity levels including jamborees. **EXCEPTION:** OSAA certified officials are required for baseball and softball at the varsity level only. OSAA certified officials are required in football at all sub-varsity levels.
- Schools have the responsibility to request permission from their local officials association to use non-certified officials at sub-varsity contests where certified officials are not required.
- Unless included on this fee schedule, or mutually agreed by the schools serviced by the local officials association, no additional fees or charges may be assessed.
- Officials' fees for league playoff and play-in contests to determine State Championship representatives shall be paid at the regular season varsity rate for the specific sport.
- Extended contests in football and basketball are defined as those additional time periods played either before or after a sub-varsity contest; the rates listed for extended contests (25% of the sub-varsity fee for that classification) are to be added to the regular base fee for that contest's level and classification. Overtime is not an extended contest, rather an extension of the previous period; therefore, no charges shall be assessed for overtime periods in any sport.
- Commissioner and Administrative fees cover contest and schedule changes; no additional fees may be assessed.
- For activity levels that regularly require more than one official, the rate for a solo official is 150% of the regular official's base fee for that contest's level and classification.
- Dollar amounts based on the following advisory calculations/percentages are rounded to the nearest quarter; refer to the activity specific tables for actual fee amounts.
