Legal Competition Uniform Requirements

Per NFHS Wrestling Rule 4-5-7 all wrestlers are required to weigh-in for events wearing a legal competition uniform. This same rule will be applied when performing initial assessments to determine a body fat percentage used to calculate the wrestlers minimum wrestling weight.

NFHS Rule 4-5-7 is below followed by a series of FAQ's:

ART. 7 . . . All contestants shall weigh-in wearing a legal uniform (4-4-1) and a suitable undergarment that completely covers the buttocks and the groin area. Contestants shall not weigh-in wearing shoes or ear guards. Female contestants shall also wear a suitable form-fitted compression undergarment that completely covers their breasts. Contestants may wear low-cut socks that cannot be removed or added if the wrestlers do not make weight.

NOTE: No additional weight allowance shall be granted for weighing-in wearing a legal uniform.

NOTE: Low-cut socks may be worn during regular season and post season weigh-ins but will not be allowed during the assessment to determine a body fat percentage.

Q: What is the definition of a legal competition uniform?

A: NFHS Wrestling Rule 4-1-1 outlines the specifics regarding legal competition uniform. A one-piece singlet or two-piece uniform that meets the specifications outline in Rule 4-1-1 would be considered legal.

Q: Do wrestlers get an additional weight allowance because they are now required to wear a legal competition singlet during the assessment and regular/post season weigh-in process?

A: No

Q: Under this new policy where should weigh-ins take place?

A: Weigh-ins shall now take place in a common public space. Since no wrestler will be removing any part of their clothing, all wrestlers, regardless of gender or gender identification, will be weighed-in in the same location, unless special circumstances dictate otherwise.

Q: What will be the process to complete the required skin disease evaluation?

A: All wrestlers will participate in the required skin disease evaluation wearing a legal competition uniform. The process is outlined below:

- **When the skin check is imminent** male wrestlers will remove their straps and/or compression tops. Male wrestlers are permitted to remain in uniform until an official is present and ready to perform the skin check.
- Female wrestlers will remain in full uniform.
- Wrestlers will not be allowed to add or remove additional clothing once weigh-in begins.
